Together We Can Transform Lives...

Charity Golf Day

Support People Living with Disability

Nepean Area Disabilities Organisation (NADO) is a not-for-profit, community based, charitable organisation that supports people with disability and their families across Western Sydney.

NADO is helping to create a community where people with disability can live a life of fulfillment, choice and purpose. We pride ourselves on being a local organisation, with local knowledge and local connections. As a member of our business community, you are an important part of this support network.

We believe that by strengthening the relationship between NADO and local businesses, we strengthen the bond between people with disability and their communities.

This actively promotes awareness of the rights, needs and abilities of people with a disability. Ultimately, this makes our community a positive, vibrant and connected place.

We hope you will join us for a fun-filled day, as we come together to raise funds towards a new wheelchair accessible vehicle to increase the opportunity for people with disability to be out and about within our community.

Denise Heath
Chief Executive Officer - NADO
